

AERET MEETING IN HUNGARY

Dear Colleagues,

The 2010 AERET meeting will be held at Hotel Silver, Hajdúszoboszló, Hungary between 22nd and 24th June 2010.

We would like to give you the following information on the program, the place of the meeting and the transportation.

1. Hajdúszoboszló

Hajdúszoboszló is situated 200 km from Budapest and 20 km from Debrecen in the North-Eastern part of the Great Hungarian Plain. The history of the city goes back to 1075, when its name was „Szoboszló”. Soldiers – called „Hajdúk” – settled down in 1660, and the city has been called Hajdúszoboszló since then.

The life of the city changed on 26th October 1925, when thermal water was found during an exploratory drilling at a depth of 1091 meter instead of oil and gas.

The thermal water, the thermal bath and tourism completely changed the face of the city. The economy of the city is based on the „wellness” nowadays.

2. Accessibility of Hajdúszoboszló

It's easy to reach the city, as it is next to the Budapest-Debrecen-Nyíregyháza-Záhony main train line. All express (in every two hours) and intercity trains (every hour) stop at its railway station.

Hajdúszoboszló is easily accessible by road, as the Highway 4 (Budapest – Szolnok – Záhony) goes through the city and the M35 motorway, which connects to M3 motorway, ends few kilometers from Hajdúszoboszló.

3. Hotel Silver****

Hotel Silver **** Hajdúszoboszló is a health, wellness and conference hotel. It is the only hotel in Hungary, which has 2 private beaches, wellness service with 10 pools operating all year long. The hotel has 170 air conditioned rooms. Gastronomy and Hungarian tastes are provided by master chefs.
